Mateo Maccarone

Lead Frontend Developer

maccaronemateo.dev@gmail.com | Buenos Aires, Argentina

LinkedIn | GitHub

JavaScript developer with 4+ years of professional experience (10+ years overall) building modern, scalable web applications. Currently leading frontend development at Braintly, where I modernized legacy systems using React, Next.js, and Laravel. Passionate about clean code, open source, performance, and mentoring. Actively expanding my expertise into Vue.js ecosystems.

TECHNICAL SKILLS

Frontend:	React, Next.js, Astro, Vue, Nuxt, TypeScript
State & Data:	RPC and REST APIs
Backend:	Laravel, PostgreSQL
DevOps & Tools:	Docker, Git, Bun, IA-Agents and MCPs
Leadership:	Technical ownership, code reviews, agile collaboration, cross-team alignment

PROFESSIONAL EXPERIENCE

Braintly — *Frontend Developer*   2021 – Present

- Led the full migration of a legacy frontend to a modern React + Next.js architecture, significantly improving performance, maintainability, and developer experience.
- Built responsive, accessible UIs with a focus on user experience and code quality.
- Collaborated with backend engineers on Laravel APIs, ensuring seamless integration and efficient data flow.
- Containerized local development environments using Docker to standardize workflows across the team.
- Acted as a technical reference for frontend decisions and participated in architectural discussions.

ADDITIONAL EXPERIENCE

Municipalidad de Tres de Febrero – C.I.T y Empleabilidad — *Web Development Instructor*   2020

- Designed and delivered introductory web development workshops (HTML, CSS, JavaScript) to promote digital inclusion.

EDUCATION

University Technical Degree in Web Development — UNLaM   2025 – in progress

Computer Engineering — UNLaM   2021 – paused

Computer Science (Secondary) — Instituto Agustín Elizalde (IAE)   2014 – 2020

OPEN SOURCE & INTERESTS

- Active on GitHub with personal experiments and open-source contributions
- Passionate about: **Comics**, **Open Source**, **Led Zeppelin**, and **Thrash Metal** 🤘
